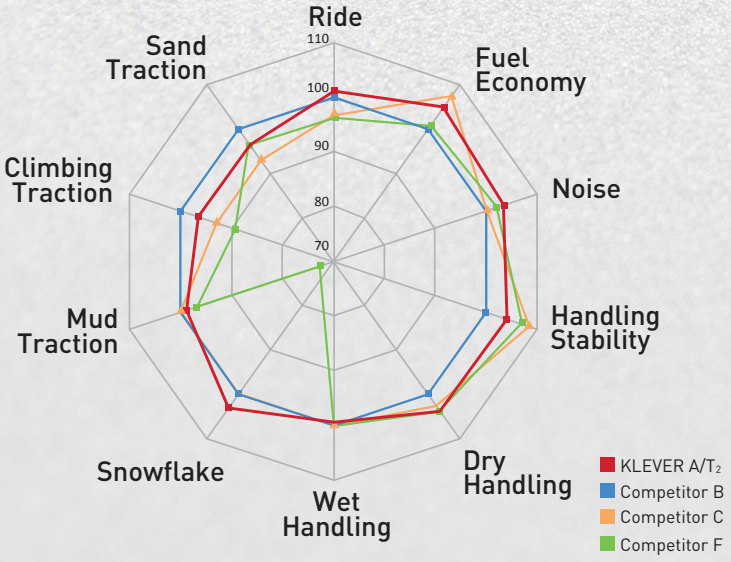
Klever A/T$_2$
KR628

The Kenda Klever A/T2 was developed to offer premium, all-terrain performance for the value-driven consumer. Designed at the Kenda American Technical Center in Akron, OH, this 2nd generation tire delivers a smooth, quiet ride without sacrificing traction. With strong durability, combining aggressive styling and an optimized tread design, the Klever A/T2 is the right solution for SUV, light truck and 4x4 owners on the road, in the snow or in most off-road environments. The interlocking tread blocks offer great traction and are Kenda-optimized to produce exceptional on-road noise results. The Klever A/T2 has a superior all-weather compound for Winter Snowflake (3PMSF) certification on all sizes. It offers a 50,000 mile limited warranty for LT applications and a 60,000 mile limited warranty for P-Metric/Metric fitments.



Interlocking tread pattern for optimized off-road forward and lateral traction

Large quantity of biting edges for aggressive performance on all types of terrains

High sipe density for superior snow and ice traction

A-B tread pattern to minimize road noise

Aggressive upper sidewall designed to protect against cuts, tears, and abrasion

Computer optimized footprint for excellent wear and handling under multiple load conditions

UTQG 560 AB Uniform Tire Quality Grade

p-metric & metric sizes only

SNOWFLAKE CERTIFIED
